

HGCD POLICY 2006 - 4

(Effective 04/12/06)

POLICY FOR EXCEEDING ALLOWED PERMITTED PRODUCTION AMOUNT

- ◆ **Notify Well system Owner/Operator of over production**
- ◆ **Have a conference with Well System Owner/Operator to discuss the circumstances that caused the over production**
- ◆ **Initiate a plan to compensate for the amount over produced; by either deducting the amount from the current year's allowed amount, or present a permit amendment to the HGCD Board of Directors to request additional allowed production.**
- ◆ **Require Well System Owner/Operator to file a monthly production report for the current year**
- ◆ **Report to HGCD Board of Directors Final Decision**
