Permit Acknowledgement:

1. This permit is granted in accordance with the provisions of the District Act, Water Code, and the rules and orders of the District, and acceptance of this permit constitutes an acknowledgement and agreement that the permittee will comply with the Texas Water Code, the District Act, the District rules, orders of the Board, and all the terms, provisions, conditions, requirements and restrictions embodied in this permit.
2. This permit confers no vested rights in the holder, and it may be revoked or suspended, or its terms may be modified or amended pursuant to provisions of the District Act.
3. The operation of the well for authorized withdrawal of groundwater and the transport of groundwater after withdrawal must be conducted in a non-wasteful manner.
4. The permittee must keep records of the amount of groundwater produced and the purpose of the production and such records shall be available for inspection by District representatives. Immediate written notice must be given to the District in the event production exceeds the quantity authorized by this permit, or the well is either polluted or causing pollution of the aquifer.
5. The site must be accessible to the District representative for inspection, and the permittee agrees to cooperate fully in any reasonable inspection of the well and well site by District representatives.
6. The application pursuant to which this permit has been issued is incorporated in this permit, and this permit is granted on the basis of and contingent upon the accuracy of the information supplied in that application and in any amendments to the application. A finding that false information has been supplied is grounds for immediate revocation of the permit. In the event of conflict between the provisions of this permit and contents of the application, the provisions of this permit shall control.
7. A violation of this permit's terms, conditions, requirements, or special provisions, is punishable by civil penalties as provided by the District Rules.
8. Wherever special provisions are inconsistent with other provisions or District rules, the special provisions prevail.
9. Permittee understands that this permit is granted for a five (5) year period.
10. Permittee understands this Permit is valid until modification of any information submitted for this Application and Permit, or expiration of this Permit.
