

Water District Notice of Public Hearing on Tax Rate

The Headwaters GCD will hold a public hearing on a proposed tax rate for the tax year
2026-2027 on September 9, 2026 @ 1:30 PM

at The Guadalupe Basin Natural Resources Center - Board Room - 125 Lehmann Dr., Kerrville, Texas.

Your individual taxes may increase at a greater or lesser rate, or even decrease, depending on the tax rate that is adopted and on the change in the taxable value of your property in relation to the change in taxable value of all other property.

The change in the taxable value of your property in relation to the change in the taxable value of all other property determines the distribution of the tax burden among all property owners.

Visit [Texas.gov/PropertyTaxes](https://www.texas.gov/PropertyTaxes) to find a link to your local property tax database on which you can easily access information regarding your property taxes, including information about proposed tax rates and scheduled public hearings of each entity that taxes your property.
